

SUSPECTED GAS LEAK

Guidance notes on what to do in the event of a suspected gas leak

If you suspect a gas leak:

- Open all windows and doors to ventilate the area.
- Switch off any suspect appliances and shut off the gas supply at the mains.
- Do not use electrical switches or equipment.
- Leave the property and call the National Natural Gas Emergency Service Freephone Number on:

0800 111 999

Please keep this information to hand.
